

Lemon Liquid Dishwash

This product is a high-sudsing thick lemon-scented liquid detergent for manual cleaning of dishes, pots and pans. It contains special mild synthetic detergents designed to provide rich stable suds while being very gentle on the hands. It is a non-phosphate biodegradable detergent with excellent emulsifying characteristics that provide clean film-free dishes with ease and economy.

DIRECTIONS: The dilution ratio will vary with the cleaning application, amount of soil and water conditions. The recommended starting point for dilution is 15 ml per 10 litres of water (1 oz per 5 gal). This product may be used with automatic dispensers.

Commercial Use Only
