

Pink Liquid Dishwash

This product is an effective manual dishwashing detergent designed for use in all water conditions. It assures hygienically clean film-free dishes with a minimum amount of time, effort and expense. It is ideal for food plant use.

DIRECTIONS: The dilution ratio will vary depending on the cleaning application, amount of soil and water conditions. The recommended starting point for dilution is 15 ml per 10 litres of water (1 oz per 5 gal).

Commercial Use Only
