

White Liquid Hand Soap

This product is a viscous opacified ready to use hand cleaner. It contains no dyes or fragrances and can be used in commercial dispensers. It has been designed for use in public washrooms, hotels, restaurants, industrial plants and commercial buildings.

White Liquid Hand Soap contains a blend of synthetic surfactants, synthetic emulsifiers and glycerine. This product will work well in hard or soft water, has an excellent shelf life, is non-toxic and is gentle on the hands.

DIRECTIONS: Wet hands thoroughly, apply liberally, work up a lather and rinse.

For Commercial Use Only
